

wayland::server::global  
\_base\_t

```
graph BT; A["wayland::server::global_t<resource>"] --> B["wayland::server::global_base_t"]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'wayland::server::global\_base\_t'. The bottom box is white with a black border and contains the text 'wayland::server::global\_t<resource>'. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating an inheritance or specialization relationship.
